1. The accounts for October, showing—

Receipts .. 6,566—1—11 | Expenditure .. 8,337—2—7

examined and passed by Municipal Commissioner Mr. Viraswamyappa, were read and approved.

2. Application from the Revd. Mr. Hocken for a site for building a Girls' School by the side of the New Govt. road in Lashkar Mohalla was considered. A portion of this site was acquired from Md. Kasim in August 1885.

Resolved—That the site applied for may be granted for a value at the rate at which the land was acquired from Md. Kasim.

3. Yadanat No. 109, dated 12th November, from the Madras Office, requesting that the shops attached to Musisami Chetty's Chattram may be exempted from shop-tax as the shop rents are devoted to charitable purposes, was next considered.

Resolved—That the Board adhere to the Resolution on this subject dated 21st July 1885, and are of opinion that in all such cases even if concessions were made, payments in cash as grants-in-aid of the institutions concerned is preferable to exemptions from the Mohalla tax.

4. It was brought to the notice of the Board that Municipal Members Mr. Ramanna for Devaraj Mohalla and Mr. Ramaswamudu Mallappa for Fort Mohalla have not attended any meeting of the Board for years past and have not sent in any explanation or excuse.

Resolved—That they should be invited to resign their places on the Board.

5. The attention of the Executive was drawn to the necessity for an early settlement of the case of the drain behind Vyasa Rao's house in Hale Agrahar (Mr. A. Ananda Rao proposing and Mr. Annaiya Pandit seconding).

6. The attention of the Executive was drawn to the desirability of laying out the space surrounding every Kakerhalli water tap, with shrubs and plants, utilizing the waste water for this purpose and thus making the places look better than now (Mr. A. Ananda Rao proposing and Mr. Annaiya Pandit seconding).

7. The necessity for enclosing the compound of Rangachari's Memorial Hall with some sort of an enclosure was pressed upon the notice of the Board and discussed.

Resolved—That a wall to enclose the compound at least like that which encloses the compound of the Town Magistrate's Court and Municipal Office is absolutely necessary and if a Board is prepared to meet the cost of such a wall. But the Board approved of the sample wall (to receive railings by and by) which has been built, and that may be continued as far as symmetry requires and if possible a cheaper kind of wall erected on the other sides, provided that Government help the Board with furnishing the iron railings. Resolved further that a sub-committee consisting of—

The Vice-President.
Dr. Benson.

The Revd. Mr. Hocken.
The Sanitary Engineer, Mysore Special Improve-
ment Division; and

The Executive Engineer, Canal Division

consider the matter and decide. Rs. 1,500 (fifteen hundred) to be placed at once at their disposal. If necessary further funds will be sanctioned, application being at the same time made to Government

8. Mr. McLaughlin brought to notice that the conservancy arrangements are now extremely insufficient, that the number of filth carts should be largely increased and the old pattern rejected. *Approved and recorded.*

Resolved—That a pressing application should be made to the Government for a delay to Mysore the Bangalore By-Law relating to the inspection of filth carts and other nuisances. In anticipation of enactment of a complete set of By-Laws, the present order should be at once extended in view of the probable outbreak of epidemics in the near future.
